The Trailer Park Good News Club

By Nāda J.

We continue with a small class at the trailer park. Several children have received Christ... Each of you would be greatly blessed to be there. I am blessed by the strength and depth of the counseling. Children are very serious and understand exactly what they are doing. What a blessing! We are greatly blessed to have such skilled and passionate workers among us.

SUMMER MINISTRY OVERVIEW:

By Hailey B.

- One 5 Day Club,
- One Party Club,
- Three Children Trusted in Jesus!

Our team this summer started small, but came together as members of the Riverside Chapter gathered around to make some amazing clubs happen. A party club at a small trailer park in Corona became a great team experience and even turned into a Good News Club for continued ministry. A five day club in Ontario led to the salvation of two wonderful Children who were so excited about Jesus, who came to them in their time of need. The helping hands of our chapter made this summer's ministry possible.

Arlanza Good New Club

By David C.

Today was the first day of Good News Club this year, our seventh year. Since the first day of school, the students had been asking, "When is Good News Club starting?" Well, we were finally able to say, "Today!" Three weeks ago we passed out the permission slips and they have been coming in one, two or three at a time until we had 53 permission slips. We had no idea if we would actually have that many but we were prepared, even making extra nametags to accommodate the numbers. Excitement ran high all day as students greeted us in the halls reminding us that today is the day. At three o'clock we started Club and were thrilled to have 48 students in attendance, about a dozen or so who were new to the Club!

Each of us played our part, sharing the Good News and even giving marriage advice (marriage first, then kids and NOT two wives like Jacob). The kids sat in rapt attention, hanging on every word of the lesson. We are so thankful to play a part in the students' spiritual lives and for the transforming power of the Holy Spirit. We pray that our Club (and all the Clubs) will grow numerically and spiritually.

CSDR Good New Club

By Jackson B.

October 2nd of 2019 was the first day in CEF's history to host a Good News Club for Deaf children. Statistics show that 98% of the Deaf World remains unreached with the Gospel... It has been prayed for years to have an opportunity to bring the Gospel message to Deaf children at the California School for the Deaf Riverside. Praise God! We were able to do so... We saw six children that day and received word that more are coming! Praise God. Please join us in praying for His Word to be planted in these children's hearts.

What Else is New?

Hello from CEF of Greater Riverside,

Two new staff members have recently join the Chapter team. Hannah and Hailey Bell have both enjoyed working with administrative tasks this month along side Dan Dunkerley the chapter Director. They have both been tasked with jobs such as event planning, teacher trainings, and other administrative jobs etc...

CEF of Greater Riverside is also excited to share with everyone that we are praying to move into a new office in the Riverwalk area! The office's location is central to all of our Good News Clubs and will be a great spot for storing all materials. The office will be available 24/7. We can't wait to use this edifying location; where we can bring those interested in the ministry and show them the work that God is doing!
