YOU ARE PRAYING AND GIVING, AND WE ARE GROWING!

The Lord is doing a new and marvelous thing in Greater Riverside! First, we have obtained favor from the Corona/Norco district. One afternoon, I had business with the facility use coordinator. She greeted me with a big smile, saying, "We are glad you guys are here. The children need to hear the hope you share with them in these troubled times." I was praising our Lord as I left that day. Secondly, the administrative staffs at all the schools welcome us with large smiles, saying, "It's good to see you all again!" Thirdly, as I was preparing to leave one of the schools, I saw a very radiant individual walking toward my car. At first, I didn't recognize her. She walked right up to my window and said, "I'm so glad you are back this year. Our kids need Jesus and His offer of love, forgiveness, and hope." By that time, I recognized her. She had been promoted to the new principal at the school. She continued to ask me, "please pray for me. I need the wisdom to lead." Wow! What an awesome responsibility our God has commissioned us to.

But wait! That's not all! Our clubs began just this October. We are ministering to more boys and girls in the Good News Clubs than all of last year, 259! Children have great questions and share prayer needs; they are more excited to learn than last year! We have had 15 children come to trust in Christ Jesus this first month.

We are praying to start a new club at McKinley Elementary in Norco. We are asking our Lord for four more leaders to begin the club in January!

Thank you for your prayers and financial support. You are praying and giving, and we are growing!

THANK YOU!

Here at CEF Riverside, we are so incredibly grateful for our supporters and volunteers! Your prayer, financial support, and time is given towards the ministry is an incredible gift that makes what we do possible. Reaching Children with the gospel is no easy task, but it comes with incredible blessings, and you are part of that amazing mission. This year we have been blessed with a financial donation that will cover school fees for our five clubs for the duration of this school year, and we have 13 new volunteers! We are so grateful! This blessing opens the door for us to pursue more opportunities to reach our community with God's good news. We still need your help! CEF Riverside requires financial support to supply the curriculum, administrative and other materials, and expenses that keep the ministry running. Please thoughtfully and prayerfully consider partnering this year with CEF Riverside.
