## CYIA 2021 TEAM TESTIMONIES

---

This past summer helping out at CYIA was an amazing blessing that I really enjoyed. One way that CYIA helped me was in developing my Ministry skills, such as learning to teach from God's word in a way that would be engaging, and most of all, well understood. I was encouraged throughout the week by praying and relying on God for his help. The most important thing I learned is that it is truly God who speaks through us, And his word will never return to him void. I am very grateful that I have this opportunity to serve the Lord, and be used by him!

- Elena, age 19

I am grateful for CYIA and the leaders there because of the encouragement and great advice that they gave me from the first day. Two ways that I was strengthened in my walk with Christ were by being reminded and thinking about how simple the gospel really is. Also, by noticing how the gospel - while working on Bible study - is found throughout the whole Bible, as well as being reminded that Jesus has always had a perfect plan, is very encouraging. A couple of ways I believe my Ministry skills were strengthened include, building my confidence, and quickly preparing for my lesson for the day. It was very nice and enjoyable to see the kids listening, responding, and having a good time. I am grateful and encouraged for all that CYIA does in growing God's Kingdom.

Fernando, age 18

One of the things that CYIA help me with was building my self-confidence to share the gospel. I also learned how to prepare, practice, and perform Bible lessons on short notice, which I know I will definitely use later on in life. I had an awesome time with the CYIA team! I'm so glad that I was part of CYIA this past summer and I can't wait to see what the Lord has planned for me next.

Ali, age 16

I learned so much at CYIA this last summer. I learned the importance of reading my Bible. Also, I learn how to share the gospel in an understandable way. I enjoyed helping the kids learn their songs, and interacting with them. I feel blessed to have served Christ.

Ernesto, age 14

After going to CYIA I feel more confident about speaking in public. I also learned how to share the gospel with kids. I enjoy teaching games a lot. I had fun getting prepared with my brother and sisters. I am glad that I was part of CYIA.

Bernardo, age 11
