TESTIMONIES

On God's Team- Hailey Bell

During our Tuesday Good News Club zoom Pastor, Dan was telling the story of the Exodus, and the Children were so drawn in by the lesson that they felt like they were part of the story! When Pastor Dan asked if the Israelites would be captured, one of the children exclaimed, "With God on our team?! No Way!" The children recognized God's power to save the Israelites, and they were certain that He would save the day!

Committee - Daniel

I remember how shocked I was when I was asked to be a part of the CEF Riverside committee. I felt like I wasn't prepared or qualified to take on such an important role. However, as I was listening to a sermon, the pastor read 1 Corinthians 1: 27 - 29 and that is when God reminded me that He doesn't call on the qualified, He qualifies those that are called. It has been about a year and a half since I have been part of the committee and it has been such an amazing experience.

Everyone on the committee works hard everyday to ensure that God's children are learning about His love. I am so thankful for the opportunity CEF Riverside has given me to work for Him and to work alongside such incredibly passionate committee members!

Why We Do This - Aaron Schroeder

Eight years ago I took a leap of faith and made a commitment to support a Good News Club where I met Alex and his two younger sisters, their mom Lucinda and Hector her cousin. Through Good News Club, all five of them accepted Christ as their savior, were baptized, and found a walk of Faith. Alex, Hector, and I shared many extra-curricular events together over the next few years which included others who were also fatherless named Felix and Jake. We went on hikes, did a birthday at Magic Mountain Waterpark, and did Dodgers Family and Friends day together. Pastor Dan knows Hector and Felix well and has encouraged them both.
