**Del Sol - Jurupa Valley**

Susan Tanner

It all started back in November, when a group of us began meeting together in a classroom to pray for our school, Del Sol Academy. During one of our meetings, we were challenged to consider starting a Good News Club. We all agreed without hesitation that that would be a great way to reach our students with the love of Jesus.

Our Christian principal, who was praying with us, was very supportive about the idea. However, after approaching district officials, she was told that we could not meet on campus until after 6 PM. Our hearts dropped as we heard this news, but almost immediately, our wonderful parent volunteer jumped right in and enthusiastically offered the use of her home ...which is right down the street from our campus!

So, after a couple of months of preparation, the five of us started our first good News Club with 13 students in attendance. That day we had the wonderful blessing of leading six of them to Christ!

We feel so honored to be used of the Lord to spread his message of love and forgiveness to our students, and are looking forward to the amazing things God is going to do as we allow His light to shine brightly through us.

**Prayer & Praise - Jefferson GNC**

*May God go before us next year to grow GNC and for salvation to come to all students who do not know Him as their Lord and Savior. I'm so thankful and blessed to be part of our amazing Jefferson Good News Club. I'm so humbled to know you all and to be able to pray for our students and each other! Glory to God!*
